Exhibition Description & Details

Kokedama- Babinda Library

Discover the ancient Japanese garden art of Kokedama. Descending from the Bonsai technique, Kokedama is a ball of moss-covered soil on which an ornamental plant grows. Experience the calming and naturally soothing benefits of this organic display.

Scrap to Sculpture Designs: Freestyle metal art - City Library

Scrap metal finds a second life as freestyle sculpture by local artist Grae Blakey. Meet quirky characters and clever creatures skillfully crafted from salvaged metal.

Besties or Beasties? - Earlville Library

Discover how our relationships with crocodiles, snakes, marine stingers, and mosquitos have changed over time.

Galactic Star Mandalas - Edmonton Library

In a celebration of the essence of life, Brisbane based artist Anca has inspired the weaving of thousands of mandala stars across Queensland. Discover this peaceful display of love, and learn about the Vanishing Stars scientific research project.

Authentic Traditional Korean Paintings - Gordonvale Library

Discover the beauty of traditional Korean painting. Two original works exemplify the characteristic aesthetics of Korean art: simplicity, spontaneity, and a sense of harmony with nature.

Saltwater Creek Basketry - Manunda Library

Enjoy the art of basketry, where traditional technique meets contemporary art. This display features sculptural forms made from the abundant natural materials found in the Cairns region, with some synthetic materials artistically combined.

Vintage Aircraft & Aviation Collectables - Smithfield Library

On display are model planes of various kits and scales, as well as WW2 era aircraft instruments from a variety of Australian, British, and American aircraft. Discover unique items sourced from airports around Australia as well as Defence organisations.

The ARC Creatives Illustrations - Stratford Library

Enjoy original artworks from six recently published picture books by the ARC Creatives. Read the books while you're here, and keep an eye out for an upcoming author event with these six dynamic author/illustrators.
